

## Our Risk Protection Approach

Our approach is simple but effective.

It includes:

- taking the time to identify your needs
- finding the right solutions
- presenting them in a clear and easily understood manner
- keeping you up-to-date and informed

## Our Independent Advice

We are independent Risk Protection Advisors based in Milford, Auckland and have been in the Financial Services Industry since 1965, joining Guardian Assurance as a Life Agent, then latterly moving into senior management appointments with NZI, before commencing in our present role in 1993.

We have developed associations with quality Financial Service Organisations to ensure we offer the best products and services to our clients.

## Ensure you insure..... don't forget and regret

An avid fisherwoman, Carole is the Vanuatu National Women's record holder for 37kg line Blue Marlin.

Carole holds Industry Qualifications and accreditations in risk protection.

## Our Style

You could say our style is relaxed but that's because our job is to get on with people and make sure they are confident with our services. Just because we are relaxed doesn't mean we aren't serious. These are the three things that are on top of our mind when we talk to you:

### Value –

On our services and our products recommendations.

### Integrity –

In the professional way we offer our services and manage your portfolio.

### Process –

Using simple and easily understood methods to help you keep on track with your financial priorities.

Our primary motivation is safeguarding the future financial well being of our clients in both their home and business lives. **They become our clients for life.**

## Our Mission

"To assist our clients to achieve their financial goals so as they can be financially secure and have the freedom to live the lifestyle of their choice".
